

ABOUT US

Nexera Multiproducts is a well-diversified firm having interest in disposable items for spa, salon, hotel, hospital and packaging products, since May 2016.

We specialised in offering high quality disposable nonwoven products at very reasonable price.

Nexera multiproducts has an international presence, since they engaged in import as well as export of goods.

Qualitative product at a reasonable price and on time supply in market is our big weapon.

We maintain highly hygienic manufacturing techniques.

Mission

- We are committed to creating a successful long-term relationship with our customers, suppliers and service providers.

Vision

- Nexera Multiproducts wants to become a leading firm in nonwoven fabric disposable items with consideration of helping customers with higher economic and social benefits.

Future plan

- Our future plan is to create valued and brand-loyal clients with a very high satisfaction of customers. We are always updating our product as per future market demand.
